

## Run 534 Stoke Gabriel

The BIG puddle that **Cow Pat** was standing in suggested that the run was going to be a bit of a wet one, and sure enough, due to **Troughie** not realising that tides go in as well as out, it was a bit of a wet one!

After our **G.M.** welcomed two virgins, **Simon** (that's a simple name, as **HTT** pointed out) and **Sarah**, into the pack, it was straight into the water, in search of the lost trail! Virgin lay **J.P.** had also been roped in but he, alas, also had no understanding of the tides.

At the waters edge, **Big Foot** was heard offering piggy-back rides in return for cider. Only **Pullit** was wise / foolish enough to take him up on his offer, but **Big Foot** soon withdrew his offer muttering something about not giving piggy-back rides to dogs! After this any good gentlemanly behaviour amongst our Hash soon disappeared ~ with **Hot Bunks** shining his torch on some poor unsuspecting Harriet's translucent lycra leggings, and **Wet Spot** telling **BSE** to go the wrong way, then telling **Meavy** that everyone else had gone round the run again, so off they both went ~ **BSE** going the wrong way, and **Meavy** going round again!

Then there was **Piddler** (nice to see you in your scarecrow outfit, shame it was a week early!), who was more than willing to spill the beans on his unfortunate partner, **Going Down** (unfortunate because she's with **Piddler**, why??) Apparently **Going Down** had got into difficulties with her head lamp, and got confused by the long / short split (L is for long, S is for short!)

Other not-so-gentlemanly gentlemen included **Jailer**, who was quoted as saying "I lead them on, then leave them behind!!", and **Ali G** who wanted to slap **Cow Pat's** bottom, And **Shorn** who was heard telling the barmaid he 'liked it wet and moist' !!! (was it really his omelette he meant?)

Down Downs were ceremoniously awarded by our R.A. **Big Bird** to : **Troughie**, for a superb Hash, and for not knowing anything about tides; the two virgins, **Simon** and **Sarah**, for forgetting their socks; **Whisperer**, can't remember why, **Piddler**, & **Going Down**, for their on-going difficulties, and **Meavy** and **Spiderman** for going round twice! And its **On On** to Kingswear for the night of the living/ hashing scarecrow.
